

Pathway to Settlement

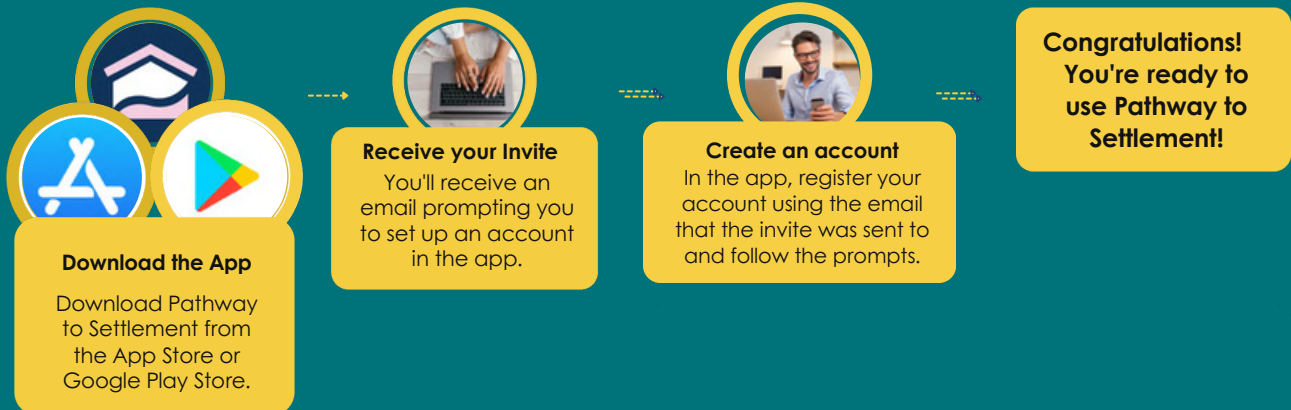

Safety Bay Settlements has chosen to offer the Pathway to Settlement app as a way to keep you updated throughout the entire settlement process.

This breakthrough app for home buyers and sellers, real estate agents and finance brokers allows you to:

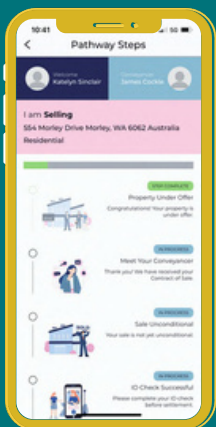

- ✔ Track the settlement in real-time
- ✔ Follow along the key milestones of the transaction
- ✔ Send to and receive documents from Safety Bay Settlements

How to set up your Pathway to Settlement app

How to Track your Settlement

Use the My Settlement Tracker feature to track your property settlement in real-time.

- ✔ View completed milestones as well as upcoming milestones for full transparency around where your property settlement is at.
- ✔ Select a milestone for more information to give you complete clarity about what to expect at each stage of your settlement journey.
- ✔ Contact your conveyancer with ease by clicking on their name.

REAL ESTATE AGENTS - Already have a PTS account?

If you've used the app before, you won't need to create another account. You will be able to see all current properties you have for sale & approaching settlement, plus you will be able to access all previous history as well including accessing documents.

Need assistance or have a suggestion?

If you require assistance with or have questions about your property settlement, please contact Safety Bay Settlements. For technical support with the app, please submit a request via the Provide Feedback feature in the Pathway to Settlement app.
